

Marine Science and Conservation Leadership Certificate Enrollment Form

Please note: Students may not enroll in this certificate program until their sophomore year. Sophomores may indicate their interest in the program by signing up, but they will not be officially listed until their major has been declared with the Academic Advising Center.

Program enrollment represents your statement of intent to complete the Marine Sciences and Conservation Leadership certificate.

If you have any questions, please contact Program Coordinator, Katie Wood at katie.wood@duke.edu or (252) 504-7586.

Please enroll me in the Marine Sciences and Conservation Leadership Certificate
