

# CashforCrappers rebate form

brought to you by TheGreenGrok

## How It Works

This offer is open to people who replace their old, inefficient toilet bowls with a new, low-flush variety and send us in a proof of purchase for the new bowl, which must meet EPA [WaterSense criteria](#). Details below.

### Please follow these directions:

1. Buy a new low-flow toilet that meets the Environmental Protection Agency's WaterSense criteria to replace your old toilet.
2. Print and fill out this form.
3. Send in your completed form along with a copy of the toilet receipt and the gallons-per-flush information for both old and new toilets:
